

TELLING ME I'M DEAD

PRE-CHORUS 1

It's like another person is inside of me
It's like sometimes my mind just flies away with me
It's like I have this weird voice in my head
Telling me I'm dead

CHORUS

I know I sound crazy
You must think I'm just lazy
But I'm not
I'm just a little bit hazy

VERSE 1

I can sing, I can write
I'm a king in a fight
If I win I'm just normal
But if I don't I'm just not, in the story

PRE-CHORUS 2

It's just like I'm here locked in this room
It's just like I'm here waiting for the boom
It's like I have this weird voice in my head
Telling me I'm dead

CHORUS

I know I sound crazy
You must think I'm just lazy
But I'm not
I'm just a little bit hazy

VERSE 2

I can play all alone
I can stay in my zone
But I can't do
Anything else (oooh)

VERSE 3

I pray every day
And I wait every time
For the rhyme
That would come to save me (to save me)

CHORUS

I know I sound crazy
You must think I'm just lazy
But I'm not
I'm just a little bit hazy

VERSE 4

I think in reverse
Trying to know what's the curse
But I never did
I mean I'm just a kid (I'm just a kid)

VERSE 5

I think in reverse
Trying to know what's the verse
But I never did
It's just unfair indeed (unfair indeed)

PRE-CHORUS 1

It's like another person is inside of me
It's like sometimes my mind just flies away with me
It's like I have this weird voice in my head
Telling me I'm dead
