

STUPIDITIES OF THE PAST

F# Bbm C#m (x2)

VERSE 1

F#
I don't know what to say
Bbm C#m
I don't know what to write
F#
Add some more candles
Bbm C#m
And just leave it all behind
F#
And if you asked me: "Love,
Bbm C#m
Wouldn't you want tonight?"
F#
I'd tell you: "Baby,
C#m
We would still have the twilight."

The twilight

CHORUS 1

And isn't that (what's the word?)
F# Bm F#
(Ooooooooooh) Enough?
F# Bm F#
If it's a night than let's not call it love
F#
To know you gotta argue
Bm F#
Gotta laugh
D#m F#
About the stupidities of the past

VERSE 2

F#
If I knew nothing else
Bbm C#m
I'd think y'all were for real
F#
But luckily my mom's books
Bbm C#m
They taught me how to feel
F#
They also taught me that
Bbm C#m
A broken heart can't heal
F# C#m
That's why I hold on to it still

STUPIDITIES OF THE PAST

CHORUS 2

And isn't that
F# Bm F#

D#m F#
About the stupidities of the past
