

TELLING ME I'M DEAD

PRE-CHORUS 1

Am **E**
It's like another person is inside of me
G
It's like sometimes my mind just flies away with me
D
It's like I have this weird voice in my head
Telling me I'm dead

CHORUS

Am **E**
I know I sound crazy
You must think I'm just lazy
G
But I'm not
D
I'm just a little bit hazy

VERSE 1

Am **E**
I can sing, I can write
I'm a king in a fight
G
If I win I'm just normal
D
But if I don't I'm just not, in the story

PRE-CHORUS 2

Am **E**
It's just like I'm here locked in this room
G
It's just like I'm here waiting for the boom
D
It's like I have this weird voice in my head
Telling me I'm dead

CHORUS

Am **E**
I know I sound crazy
You must think I'm just lazy
G
But I'm not
D
I'm just a little bit hazy

TELLING ME I'M DEAD

VERSE 2

Am **E**
I can play all alone

I can stay in my zone
G
But I can't do
D
Anything else (oooh)

VERSE 3

Am **E**
I pray every day

And I wait every time
G
For the rhyme
D
That would come to save me (to save me)

CHORUS

Am **E**
I know I sound crazy

You must think I'm just lazy
G
But I'm not
D
I'm just a little bit hazy

VERSE 4

Am **E**
I think in reverse

Trying to know what's the curse
G
But I never did
D
I mean I'm just a kid (I'm just a kid)

VERSE 5

Am **E**
I think in reverse

Trying to know what's the verse
G
But I never did
D
It's just unfair indeed (unfair indeed)
